

Paragon Christian Academy

Admissions Policy

Guidelines

While belief in Jesus Christ by either the parents or the student is not a prerequisite to attendance, non-Christians should be aware that no compromise will be made in doctrine and expectations for student behaviour. Paragon Christian Academy is unashamedly Christian in its purpose and focus, both in curriculum and operation. Although our philosophy is evangelistic, students whose behaviour does not conform to our standards will be dismissed when deemed appropriate and in the best interests of the school. Any exception made to the admissions policies of Paragon Christian Academy (PCA) is applicable only to the situation in which it is made or person(s) to whom it is made and does not apply to any other situation or person(s).

Non-discrimination

PCA admits students of any race, colour, national or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available at the school. It does not discriminate on the basis of race, colour, or national or ethnic origin in the administration of education policies and admissions policies.

- Birth Certificate: Required to establish student's age; a baptismal certificate or a passport can also be used. The student must be enrolled under the name that appears on this document.

The following policy is for Middle/High School Students

Step I: PCA Prospectus - Please read in its entirety to fully understand Paragon Christian Academy.

Step III: Paperwork – Submit the following items: birth certificate, previous school records (directly from them to us), PCA enrolment packet.
